

# We have your learning needs covered in 2022

Relationships Australia Victoria (RAV) has an established reputation for delivering quality training, with national and international expertise, and over 70 years' experience delivering services across a range of areas related to family relationships.

As a Registered Training Organisation (RTO 21977), RAV provides quality higher education, vocational training and professional development in a range of areas relating to relationship counselling, family dispute resolution (FDR), mediation and relationship education.

## Become a Qualified Practitioner

- **CHC81115 Graduate Diploma of Family Dispute Resolution:** This VET Student Loan-approved course provides graduates with the skills to apply for registration as qualified FDR practitioners with the Attorney General's Department.
- **CHC81015 Graduate Diploma of Relationship Counselling (Responding to Family Violence):** For practitioners wishing to obtain an understanding of family violence in the context of various relationships. This course is also accredited with Family Safety Victoria and accredited and recognised with the Australian Counselling Association.

Both Graduate Diplomas include a fully arranged and supported placement program and are facilitated by leading clinicians, professionals and practitioners.

## Mediation Training Course: CHCSS00110 Mediation Skill Set and National Mediator Accreditation System

Become an accredited mediator in one short course. This course also provides an entry pathway into the CHC81115 Graduate Diploma of Family Dispute Resolution.

## Customised Training

- A personalised one-on-one consultancy service
- A tailored, needs-based approach to design and delivery
- Research and evidence-led programs
- Onsite training, as well as online and webinar options
- Customised online modules and self-paced courses for you and your staff

As a leading training provider, our training is visionary in design and delivery.

We can tailor training to suit your individual workplace needs, working with you to design a program and learning outcomes.

We will also discuss with you the best form of facilitation to suit your workforce and workplace, whether that be face-to-face, an online workshop or a webinar.

## Clinical Supervision

Our priority is ensuring we provide tailored solutions to accommodate your professional development needs.

We are pleased to offer tailored clinical supervision sessions for clinicians and practitioners working in a variety of fields in the community sector.

Supervision is facilitated by experienced and qualified clinical supervisors and family dispute resolution practitioners.
